ROCK COUNTY FIRST PROVIDES MUCH NEEDED SUPPLIES TO TEACHERS IN EACH DISTRICT

Rock County, WI (June 3, 2022) - Rock County First (RCF) is a non-profit organization (501c4) in Rock County, WI whose vision is to protect liberty and freedom in its local communities by empowering the citizens of Rock County through education and greater government accountability.

In addition to our year-round focus on local education, in May and early June RCF has renewed its focus on fostering educational excellence in the eight local school districts in Rock County, with a three-part educational excellence series designed to equip and educate parents and citizens on a few of the key challenges facing today's K-12 public education system.

RCF coupled this educational excellence series with the well-deserved recognition of our teachers as part of the annual Teacher Appreciation Week focus. It is well known that our teachers are on the front lines of providing a quality education to our children.

In recognition to their service and dedication to providing an excellent education to our children, today RCF is announcing it has made a significant donation of critical learning supplies to the teachers, and their students, in all eight school districts in Rock County. This is RCF's way to both recognize the commitment by our teachers, while providing the needed learning supplies to their students.

Rock County First would like to thank our teachers for their focus upon delivering a quality education to the students of Rock County! Have a wonderful summer!

Rock County First is a volunteer, citizen-led organization which empowers liberty and freedom loving citizens of Rock County through education, knowledge, and support. To find out more about Rock County First visit www.rockcountyfirst.com
