Wisconsin Assembly District 45 Candidate Townhall Thursday, October 20th

Rock County, WI (October 7, 2022) - Rock County First (RCF) is a non-profit organization (501c4) in Rock County, WI whose vision is to protect liberty and freedom in its local communities by empowering the citizens of Rock County through education and greater government accountability. This event is brought you by the Rock County First Political Fund, which is an Independent Expenditure Committee.

The 2022 mid-term election is coming upon us quickly as absentee voting has begun, early voting starts on October 25th and the general election is November 8th. To learn more about the election, where to vote and who is on your ballot, go to myvote.wi.gov for more information.

On this year's ballot, Rock County voters will be voting for Wisconsin Legislative candidates running for State Assembly and State Senate. There are a number of competitive races for these positions which will impact your representation in Madison. In order to help educate and inform Rock County citizens on the candidates and their positions, RCF is hosting an Assembly District 45 candidate townhall where both candidates will be discussing their positions on education, crime, the economy, and more.

RCF cordially invited candidates from the other Rock County related Legislative races but each candidate has decided, for various reasons, to not participate in similar townhall events. Should this change, an update will be provided.

Please plan on joining us Thursday, October 20th. Here are the details.
